Dear Mr. Fudula:

I am responding to your recent communications concerning my participation in Dr. Osheroff's case.

I am willing to serve as a Consultant and witness.

You are hereby authorized to release my name.

I am enclosing a copy of my Curriculum Vitae.

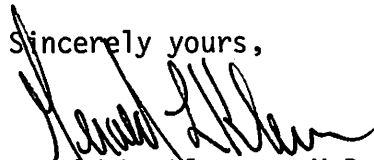

I will be in Washington on October 13-14th and would be available, if necessary, for a deposition. I will not be available on October 15th.

The date of December 6th would be suitable. I have put it aside in my calendar.

Please let me know as soon as possible if this can be confirmed.

I am also enclosing a statement for services rendered.

Sincerely yours,

Gerald L. Klerman, M.D.
